

# ENSAPLV tune in to Japan SCHEDULE

## MARS 2026 A week of Dialogue and Exchange

ENSA Paris-La Villette welcomes eleven Japanese teacher-researchers from both academic and professional backgrounds from March 9 to 16. They will take part in workshops, seminars, lectures, round tables, and conferences addressing contemporary architectural and urban issues. The academic program is thus exceptionally enriched, with selected courses open to interested students and faculty. Several public events complement this program.

- 1 Kyoto University
